

Small Class Sizes

Small class sizes and a dynamic and dedicated staff means that all you child's needs can be meet in an environment that allows your child to reach their full potential.

PATHWAY PROGRAMME

A dedicated individual pathway is designed for your child from the moment they enrol. Providing the skills and knowledge needed for them to succeed from transition from Primary school to Graduation.

TEL FOCUSED

We prepare your child for the world of the future. Providing them with the knowledge and digital skills needed by working on their own chrome book and in educational platforms from First year.

Extra Curricular Activites

Reflect the Unique Interests and Skills of our students. Football, Anime, Minecraft, Art, Music, Sound Recording, Digital Media, Robotnics, Debating, Choir, Basketball, Athletics.

Be a Name not a Number.
